EXPERIENCE

2015/2016
PLUM ALLEY INVESTMENTS, Visual/ Web Design Consultant
New York, NY (Contract work for Dec & Jan)
My job included email design and coding, graphic design as well as creating taglines and visuals for the upcoming website.

2015
KEY INSIGHT, UX / UI Designer for **Charlie!**
New York, NY (Nov)
My role was to redesign the homepage for a marketing company. The design challenge began with user-testing the existing homepage and doing comparative analysis on similar marketing companies.

2015
GENERAL ASSEMBLY,
User Experience Design Immersive, **UXDI**
New York, NY (Sept-Nov)
This immersive course included five projects: two solo and three group projects.

2015
GENERAL ASSEMBLY
Web Design Circuits
New York, NY (July-Dec)
During this experience, I learned how to code in HTML5 and CSS3 and built three portfolio websites.

2015
